Career Objective:

In line with my continued interest and performance in Telecommunication sector. I have decided to build up my career in the professional field. I would like to show my immense aspiration to become a quick learner and to prove myself as a sincere person through extensive hard working and integrity to this field.

Career Summary:

I began my career as a Survey Team leader in Telecom Third-party company . It helps me learn how to talk consumers professionally .After 5 months later I join Step One Group(UTSP) as a System Engineer For Specially Microwave Link Project. Learn, work hard & promoted and After 2.5 Years later went Back again to Starlink Engineering Ltd at my Previous Company. Then one day my golden opportunity came to edotco Group as a Transmission Specialist in Mymensingh Zone.
